

Questions and Exercises

8. How does God heal? Authority, love, relationship, character, integrity

1. How can we avoid becoming power-hungry when we are acting in God's authority?
2. What are practical ways we can model Christ's humility when we pray for someone's healing?
3. God promises direction, strength and relationship - how does knowing this help you pray for healing?
4. How can we bring healing to the different people we are called to serve? (the church, the lost, the poor and our enemies!)

9. How does God heal? The role of faith

5. If faith is so important how do we obtain it?
6. John Wimber said it was difficult to pray for the sick in hospitals because of the spiritual environment there. Which circumstances are conducive for healing prayer?
7. If communal faith has an impact how do we create churches / home groups which are communities of faith where we regularly see miracles taking place. How do we avoid being like those villages where Jesus could do no miracles?
